

Dear Parents,

Summer at Little Ones Montessori provides a secure, nurturing environment, fun learning experiences, and challenging growth opportunities that build positive relationships which instill self-confidence in children ages three through six years.

In our program this summer, you will find a unique blend of Montessori mixed with summer fun in what we call Kaleidoscope Kamp. All are designed to inspire your child's growth and development as a whole child. All experiences are open to families outside our community, so children are welcome to invite a friend or neighbor to attend Kamp with them.

For those of you who are already enrolled at Little Ones Montessori, your tuition fees apply throughout the summer as per your tuition contract for 2010 - 2011. For those of you, who are new to our community, please refer to the registration page.

This summer promises to be one that is filled with formative learning opportunities as well as a lot of fun! Please read carefully and let me know if I can further assist you.

Sincerely,

Norma Bolinger
Director
